

“Who Has Believed Our Report?”

(Isaiah 53:1)

Down through the ages, prophets and servants of God have wondered if anyone was paying any attention to what they were saying. They worked hard at announcing God’s message to His people. Yet, so often, their work went unnoticed. Few have heeded their words and warnings from God.

In the Old Testament, the prophets delivered God’s messages to the leadership of God’s people. Yet the people suffered whether they personally received God’s messages from their leaders or not. The same is true today.

In the days Jesus walked the earth, His message wasn’t accepted either. “**He came to His own, and His own did not receive Him**” (John 1:11 NKJV). Today what Jesus has for the Church has not been well received either. You may think you know His message, but don’t be too sure! He came with information from the Father. He brought the message of the Kingdom of God, yet few have heard those words. Today hardly anyone is preaching the Kingdom of God and the wonderful world tomorrow. Therefore, don’t count on the leadership of Christianity today to give you all the messages Jesus has sent to the Church!

Do you believe God and what He is telling you or are you simply giving God “a head nod” and then going on with your own, busy life?

As Jesus mused about the future, He wondered about the conditions of the Church at the end of this age. He said, “...Nevertheless, when the Son of Man comes, will He really find faith on the earth?” (Luke 18:8 NKJV).

I have a challenge for all of Christianity today!
