“Feel Good” Knowledge

If you are taught what you already know, what have you gained? It may make you feel good. You can be very comfortable in what you believe. But this ministry is not here to make you feel good! Our purpose is to teach you something you didn't already know about God and His plan for you. We challenge everyone to put away religious prejudice and take off the rose-colored glasses that came from the various denominations and read the Holy Bible for yourself!

We are asking you to blow the dust off your Bible and prove, from its pages, whether the things we teach are true. Don't believe anyone just because they say it is so. Believe God! Believe His Word. Be a real student of the Bible. Check out for yourself what is TRUTH and prove it once and for all!

So many people hang on to a set of cherished beliefs, having never verified any of them. Have you proved or disproved from your own Bible what you believe to be true?

We should all be like the Bereans who, “...were more noble than those in Thessalonica, in that **they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so.** Therefore many of them believed; also of honourable women which were Greeks, and of men, not a few” (Acts 17:11-12).

So many in religious circles today must unlearn the false teachings they have acquired from the established religious community before they are able to assimilate the TRUTH.

Are you willing to take a fresh look at the Word of God without the paradigm from which you came? Let God lead you into all Truth. Jesus said, “...**I am the way, the truth, and the life: no man cometh unto the Father, but by Me**” (John 14:6).

If you would like to learn more about the person who is THE WAY, who is THE TRUTH, and who is true LIFE, please visit our website at www.thelittlebook.com and begin to learn for yourself more about God than you ever dreamed possible.
