News and Events Bulletin World Weather Conditions Worsen!

Have you noticed how weather conditions around the world are becoming more violent and destructive? Ever since Katrina hit the Louisiana coast, atmospheric conditions have been worsening.

Major floods have occurred in areas that are not typically known for them. The intensity and violence of these storms are increasing. Earthquakes are becoming more and more destructive. Tsunamis are destroying many miles of coastlines around the world. Even our sun has been acting up with storms on its surface which have been sending out solar flares into our solar system that affect our weather.

Besides all of the conditions mentioned above, we have been observing a magnetic polar shift on the earth. Please study the materials on the link below.

What is going on? Why are we having such bad weather? We live in a world of cause and effect, yet few see any parallels to what is taking place around us today. Bible prophecy has revealed what is happening and the reasons why.

IT IS OUR COLLECTIVE SINS THAT ARE CAUSING THE PROBLEMS!

These disasters are plagues sent from God to get our attention! Yet, even after all these events Jesus said, “And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts” (Rev. 9: 20-21).

God has been trying to wake us up! Yet, few have been alert enough to notice what God is doing! We are near the end of the trumpet plagues of the Book of Revelation. The frequency and severity of these prophesied events are speeding up. This will lead to an end time, climatic crescendo and a return of Jesus Christ as King of kings and Lord of lords at the seventh trumpet blast.

It is now time for people everywhere to repent and turn to God with all their hearts.

If you would like to understand what is happening in the world today and what will be taking place in the near future, please download our free book [The Day of the Lord, Understanding the Book of Revelation](#). (It is approximately eighty-five pages in length.)
