“God, ...has in these last days spoken to us by His Son” Heb.1:1-2

### **News and Events Bulletin World Financial Crisis**

Financial markets around the world are nervously awaiting the outcome of the United States of America's financial dilemma. With nations of Europe and the United States facing the potential default on their obligations, much of the world watches with great concern.

Can the United States and the other nations within Europe come to grips with their growing debt? Here, within the United States, our Congress insists on a continued path of spending more than the available revenue.

Unless our governments change their spending ways, we are in for a very rough road ahead.

God is very displeased with His wayward children. I would encourage you to read the entire twenty-eighth chapter of Deuteronomy. God said, in this blessings and cursings chapter, “The stranger that *is* within thee shall get up above thee very high; and thou shalt come down very low. He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail. Moreover all these curses shall come upon thee, and shall pursue thee, and overtake thee, **till thou be destroyed**; because thou hearkenedst not unto the voice of the LORD thy God, to keep His commandments and His statutes which He commanded thee: and they shall be upon thee for a sign and for a wonder, and upon thy seed for ever. Because thou servedst not the LORD thy God with joyfulness, and with gladness of heart, for the abundance of all *things*; therefore shalt thou serve thine enemies which the LORD shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all *things*: and He shall put a yoke of iron [taxes] upon thy neck, until He have destroyed thee” (Deut. 28:43-48).

All the present conditions we find in our nations are the result of ignoring God and disobeying His commandments. If we are willing to turn to God in deep repentance, He will hear our prayers and heal our land. What is happening around us can not be fixed by our Congress or our President. Their attempts to “fix” our problems have brought us to where we are today. **“If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land”** (II Chron. 7:14).

Life as we know it hangs in the balance! Extremes in the weather—floods, droughts, tornados, and hurricanes are destroying our country. God is trying to get our attention! The question for us today is, “Are we going to turn to God and seek Him first above everything else or will we be destroyed?”
