“God, ...has in these last days spoken to us by His Son” Heb.1:1-2

February 6, 2009

Greetings to Our Readers,

### **News & Events Bulletin**

The United States of America, which has been the greatest, single nation the world has ever experienced, and Great Britain, the greatest commonwealth of nations the world has ever known, are both hidden in Bible prophecy. While many of the blessings God promised to Abraham, Isaac, and Jacob have been fulfilled in these two nations, it is hard to track their progress, or lack thereof, in the Bible.

Have you wondered why we don't see obvious evidence of these nations of Israel in endtime Bible prophecies? One reason has become clear. We are in self-destruct mode! We will not have to be taken over by invading armies to be dismantled; we are busily doing it to ourselves!

Today we are witnessing the self-destruction of these two, once great nations. Satan is using “**our enemies from within**” to systematically destroy the Christian foundation upon which these Nations were built. The moral character and backbone of our countries are being dissolved. We will become so weakened by our own lack of obedience to God that our enemies will have a “cakewalk.” Many of our peoples are already living in a make-believe world of TV, video games, and drugs. They just don't care any more!

We are beginning to reap what we have sown over the last forty years. Time is running out for us as nations. The liberal attitude of turning our backs on God is coming home to roost.

If you want to read God's pronouncement upon those nations of Israel who turned from Him, then read the entire Chapter of Deuteronomy 28. This chapter has prophecies God gave to show the result of doing our own thing and leaving God out of our lives.
