“God, ...has in these last days spoken to us by His Son” Heb.1:1-2

News & Events Bulletin

We live in perilous times. We are witnessing every day the decline of the world around us. Powerful, spiritual forces are at work behind the scene shaping future events. Common sense has left our governmental leaders. The approach of spending our way out of financial problems by creating more money is a recipe for disaster. No one, it seems, is looking for, or cares about, the long-term solutions to our economic problems.

We are reminded by King Solomon about the importance of looking beyond the here and now, “Where *there is* no vision, the people perish: but he that keepeth the law, happy *is he*” (Prov. 29:18).

But you see, we are far too sheik and cool today to obey and follow God and His laws. We have thrown God, the Ten Commandments, and prayer out of our courts, public buildings, schools, and classrooms. Of course we allow a few prayers to foreign gods and promote strange religions in our schools so our children will grow up confused and without moral direction in their lives. Oh how far we have fallen as a nation! **The whole world is under the sway of evil, spiritual forces and we don't even realize it or care!** How deep is the sleep of those who have forgotten their God!

We were once “One Nation Under God,” but now **we have become “One Nation Without God”!** It seems we, as a people, think that, if we ignore our mistakes and sins, they will go away. But God has said, “...be sure your sin will find you out” (Num. 32:23).

We are told by God to, “Cry aloud, spare not, lift up thy voice like a trumpet, and show My people their transgression, and the house of Jacob their sins” (Isa. 58:1). God goes on to say, “**Yet they act so pious! They come to the Temple every day and seem delighted to learn all about Me. They act like a righteous nation that would never abandon the laws of its God. They ask Me to take action on their behalf, pretending they want to be near Me**” (v. 2 NLT).

God is calling this nation to repent! We have turned our backs on God and He is about to punish His people for their sins. Unless we repent, our days are numbered. Time is running out!
