Much of today's news is very sad and depressing. We live on an earth filled with violence; there is war and destruction around the world. From our news networks it seems the rule is “if it bleeds it leads.” Is there any hope for the future?

It is our God given responsibility to bring to you some wonderfully exciting news for a change! We have much to give you and we are willing to share it with everyone that wants to listen.

This great news is that God is going to end all this evil and violence and bring about a Wonderful New World Tomorrow! Few understand God's plan for mankind and the future which is fast approaching. But God, in His kindness, has revealed these secrets to His Church.

You too can be aware of the events of the near future and the fulfillment of all the prophecies declared by the prophets down through the ages.
