“God, ...has in these last days spoken to us by His Son” Heb.1:1-2

June 2009

News and Events Bulletin

Today we live in a world that is totally unaware of the spiritual forces at work around it. This world is led by Satan, “...the prince of the power of the air, the spirit who now works in the sons of disobedience” (Eph. 2:2 NKJV).

Many of the nations of the Western World are now poised for self-destruction. Our governments are being influenced by unseen, spiritual forces focused on our demise. Our once strong nations are now hollow vestures of what they once were. There is a national meltdown in progress. The excessive spending will, in a year or two, begin to cause worldwide inflation with devastating consequences.

Governmental power blocks are shifting. The once strong, proud nations are loosing their place in the world as they implode and self-destruct.

All this is happening because we have forgotten our God! We are being destroyed by our own, national self-righteousness and political correctness! We are reaping the fruit of our own sins!

The nations have turned their backs on God and God is allowing them to reap what they have sown. In their pride and self-importance, they have told God to “get lost” so God has turned His back on these countries. “Alas! for that day *is* great, so that none *is* like it: it *is* even the time of Jacob’s trouble...” (Jer. 30:7). This time of Jacob’s Trouble is near!

It may already be too late for our nations but it is not too late for you! You can turn to God with all your heart. You can confess your sins and ask God for help. “If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins...” (II Chron. 7:14).
