Earthquakes, Volcanoes, and Violent Weather

What is happening to this earth? Why are we experiencing such extreme weather, destructive earthquakes, and erupting volcanoes? All around the world we hear of “the worst storm of our lifetime,” or “the worst on record.” We are encountering floods in areas not known for them. We suffer extreme cold or scorching heat. There are lightning strikes that cause violent firestorms which are destroying both cattle and wildlife. Losses of life and property from earthquakes, volcanoes, hurricanes, and tornadoes are causing trillions of dollars damage and terrifying many. Why are we under this siege? What is going on?

Monumental events are happening all around us, yet we are so engrossed in our daily struggle of making ends meet that we do not realize what is happening. There are reasons all this is taking place. We are looking down at all the things surrounding us, when God wants us to **LOOK UP** and realize He is trying to capture our attention!

Are we so blinded by our day-to-day activities that we fail to see the power of God at work around us? “Lift up your eyes on high, and see who has created these things...” (Isa. 40:26 NKJV). It is God who has been allowing all these extreme conditions! God has been sending these plagues upon a sleeping world. He wants us to **WAKE UP!** To learn much more about the **HAND OF GOD** in the affairs of men, please download a free copy of our book [*The Day of the Lord, Understanding the Book of Revelation*](#).

All these events are what Jesus has already described, “...there shall be famines, and pestilences, and earthquakes, in divers places. **All these are the beginning of sorrows**” (Matt. 24:7-8).

Jesus explained in detail these plagues in Revelation 8 and 9. He ended His statements about these plagues by saying, “**And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts**” (Rev. 9:20-21).

It is time for us to examine our lives and repent of all our deeds that are affronts to God! Put the sin out of our lives! Consider our idols. What things do we respect more than God? What objects are more valuable to us than our relationship with God? What would we grab if our house was on fire? Would it be our Bibles or our toys? It is time for everyone to repent and turn to God with all our hearts!
