News and Events Bulletin

Greetings to Our Readers,

Welcome all visitors to our website. We hope you will continue to visit www.thelittlebook.com often. It is our goal to help you grow in the grace and knowledge of our Lord and Savior Jesus Christ and thereby develop a closer relationship with God.

Announcements

With this News and Events Bulletin we are announcing a few small changes to our website. The monthly Co-worker Letter will, from now on, be sent directly to those working with us in this ministry. In its place will be this informational bulletin designed to help our faithful readers keep up with what is taking place in this ministry, such as new booklets, articles, needs and goals, and any other newsworthy announcements. This Bulletin will be e-mailed to all those who have asked to be added to our mailing list. We hope you will be happy with this format change. It should help everyone keep in better touch with *A Message from Jesus Ministry*.

By now, I hope all of you have downloaded your free copy of *The Little Book*. We are told that God would do nothing unless He first revealed it to His servants the prophets. Jesus Christ is the greatest prophet to have ever lived. He has shown us what He is about to do. This booklet will help you understand more about Bible prophecy and events of the near future.

You can compare the differences between the doctrines and the customs and traditions of the Church by downloading our free booklets *The Doctrines of Christ* and the *Customs and Traditions of the First Century Church of God*. With these two booklets you will be able to understand more than most denominational leaders know about the Doctrines, Customs, and Traditions of the Church.

As a reminder, any of the booklets or articles on the website can be mailed to you if you drop us an e-mail with a return address. This service of course is offered free to all requesting it.

Thanks for being interested in this ministry. We pray for your increased pursuit of what the resurrected Jesus Christ is doing today. May God bless you as you desire to do His will.
